

## **MB Dynamics Launches European Office**

MB Dynamics, Inc. is pleased to announce the launch of MB Dynamics GmbH starting January 2011. Tobias Achten is Managing Director. MB GmbH provides commercial, technical, application, and warranty support of MB products and customers in Europe . past and future.

For almost 15 years, Ziegler-Instruments successfully fulfilled such responsibilities for MB. The performance of Ziegler was outstanding. MB values and appreciates their professionalism, strong customer support, and engineering capabilities. New opportunities make this the right time to launch MB GmbH.

Tobias Achten has served MB customers with integrity, engineering competence, and dedication while at Ziegler. His leadership of MB GmbH assures continuity in support of existing MB installations and customers. And he strengthens MB's global focus on application-specific software and hardware deliverables and services, going forward.
